CAIÇARA

ENTRE as muitas palavras que nos deu o tupi-guarani, figura, com a raiz "ca" ou "caa" que significa "malo", a palavra "CAIÇARA", ao lado de "capim", "caipira", "caipora", "caatinga", e outras.

Que significa "CAIÇARA"?

Uma ligeira pesquisa pelos dicionários de nossa língua e vocabulários brasileiros, ao alcance de qualquer leitor, nos mostra, surpreendentemente, que existem muitas acepções, para aquele termo de origem indígena.

Assim, consultando várias obras, e principalmente, os "Ensaio de Geografia Linguística", do Com^{te}. Eugênio de Castro, verificamos que "CAIÇARA" pode significar: cerca, curral, palçada, palhoça, galhos-tamais, ramo de amore, sebe, caboclo e outras coisas.

Entretanto, a palavra "CAIÇARA" é mais conhecida como designativo regional de homem pobre, morador das zonas litorâneas de S. Paulo, pescador por tradição ou profissão.

Com tal especialização é que hoje empregamos tal palavra - O CAIÇARA - para mencioná-lo junto com o sertanejo, o gaúcho, o tropeiro, o vaqueiro, o caipira, o jagunço; e outros símbolos típicos do Brasil original.

A marca "CAIÇARA" empregada para denominação de um dos tipos de cadernos de nossa fabricação, traduz a nossa homenagem a essa brava parcela do povo brasileiro.

Até sempre
